

More than 40,000 Schools and Nonprofits Earn Through the eScrip Program!

What is eScrip?

eScrip is a hassle-free way for schools and nonprofit organizations to raise funds through everyday purchases made at eScrip merchants.

How does eScrip work?

eScrip has created a system that rewards customer loyalty by contributing a percentage of purchases made by participating families to schools and nonprofit organizations.

Parents, teachers, friends and families are encouraged to register their grocery club cards and credit/debit cards at escrip.com. A percentage of purchases made at eScrip merchants will be given back to the designated school or nonprofit organization.

Look at the possibilities!

With this new program, an organization with 100 supporting families can potentially earn over \$12,000 annually! Many organizations sign up 200 families, putting the earning potential even higher!
